

CANCELLATION OF DISCOVER SAILING OPEN DAY ON 5 JUNE 2021

It is with regret that I must inform you that we are not going ahead with our Discover Sailing Open Day on 5th June. I appreciate that this will be disappointing for those of you who were intending to attend and apologise to you.

There are a number of reasons for this, but mainly because we are unable to support novice sailors this year. We rely entirely on volunteers to provide our training and to run our events and many are just getting back to sailing themselves. Our training courses this year are already full and we have taken the decision not to accept any new novice members this year because we would be unable to support them to develop their sailing.

We are still accepting new members who have some dinghy sailing experience though, and I would be pleased to welcome you at the club to show you our facilities and discuss membership. However, we will not be able to offer any 'on the water experience' at that time.

Our membership fee is £190 per year for an adult (including spouse and children).

Thank you again for your interest in our sailing club. I do hope you manage to find a sailing experience this year.

One option you could consider is to check out what our affiliate organisation, Lincoln District Sailing Association have to offer. (<http://www.ldsa.org.uk/calendar.htm#July>) They run adult, family and junior learn to sail courses and also have after school sailing for children.

Please feel free to contact me personally if you require any further information. (enquiries@hykehamsailing.co.uk)
