INTRODUCTION

Welcome to Hykeham Sailing Club, we are a small, family orientated club, we offer to our membership – sail training, cruising, racing, full social calendar and much more...

We have some 130 acres of water, a comfortable clubhouse with a dry lounge, licensed bar, changing rooms with showers and catering at peak periods. Ample car parking exists along with a good size dinghy park. However, because of the size of the water, slipway limits and the boat park only mono-hull sailing dinghies with a PY greater than 900, under 17 foot (5.23m) LOA and with a combined boat and launching trolley weight no heavier than 250Kg (550lbs) will be accepted.

If you have any questions, then please to contact me, the Membership Secretary. Whilst the Club is available for use throughout the week, racing is on Sundays and Wednesday evenings when there will always be a Committee member around to answer any questions you might have, I am usually around on most weekends.

MEMBERSHIP FEES (See Note below)

X	CATEGORY	FEES

Can you help Hykeham Sailing Club?

Members run the club so if you can help in any way please let us know by completing the form below. All sailing, social events and most maintenance works are run by the committee and/or other club members so more people helping means less for any one individual to do. This form is intended to provide us with information so that when we require help in a particular area such as helping with rescue boats during an open meeting, we know who is prepared to help with that type of work.

However, all Full and Junior members who sail are expected to undertake assistant race and rescue duties and those who race are expected to undertake Race Officer duties. An annual duty roster is prepared by the Sailing Secretary which is promulgated before the start of the sailing season.

Your cooperation would be appreciated.
