## **INTRODUCTION**

Hykeham Sailing Club is a small family orientated club, offering sail racing, training and cruising. The club has 130 acres of water and a modern club house with changing facilities, licensed bar and catering on club racing days. A large boat park and car park are also available for use by members.

Due to the size of the water and slipways, only mono-hull dinghies with a PY greater than 900, LOA of less than 17ft (5.23m) and a combined boat and launching trolley weight no heavier than 250kg will be accepted.

The membership year is from 1 January to 31 December, irrespective of date of joining. Members accepted after the 1 September will not be required to pay a subscription fee for the following year. No member shall be entitled to exercise any rights or privileges of membership until their subscription for that year and all arrears are paid in full.

Should you have any questions regarding membership of Hykeham Sailing Club, please contact the Hon. Membership Secretary. Alternatively, a member of the General Committee will be available at the club to answer any questions during club racing on Sundays and Wednesday evenings.

If you wish to become a member of Hykeham Sailing Club, please complete all sections of this form and return to the Hon. Membership Secretary at the address shown on the cover. Your application will be acknowledged once it has been received. Confirmation of your membership will follow once the General Committee have been informed of your application.

## Can you help Hykeham Sailing Club?

Hykeham Sailing Club is run entirely by members who volunteer their time to help. All sailing, social and maintenance activities are run by the committee or a club member. The more people we have helping, the less there is for one individual to do. This form helps the committee to understand who is prepared to help with a certain type of work.

All full and junior members who sail are expected to undertake either race officer, assistant race officer or rescue duties. A roster is prepared at the start of each year by the Sailing Secretary and circulated to all members. Consideration will be given to a members sailing experience when allocating duties.
