

# OUSE AMATEUR SAILING CLUB

## NOTICE OF RACE (NOR)

### Wash Rivers Team Trophy and Edgar Bain Shield

---

- 1 **Ouse Amateur Sailing Club (OASC)** will be the Organising Authority for The Wash Rivers Team Trophy and Edgar Bain Shield Meeting to be held at Saddlebow on Sunday 3rd October at 11am
- 2 Racing will be governed by the **Racing Rules of Sailing (RRS)** unless these have been amended by the club's **Sailing Instructions (SI's)** which are available on the club website [www.oasc.co.uk](http://www.oasc.co.uk). Boats not complying with the aforementioned, as well as the Club Rules will not be eligible for inclusion in the race results.
- 3 The programme (entitled Sail at Saddlebow) contains some general requirements and the Safety Policy for racing at Saddlebow, which applies to all racing. If these conflict the NOR, then the NOR will apply.
- 4 For handicap racing, the annually published PY list will be used, unless the sailing committee has agreed any local adjustments.
- 5 Boats may choose to race with a smaller recognised rig, within their class, during a series, but the boat will be scored by the lowest PY of any rig used during the series/regatta. Rigs may not be changed once the boat has started a race. Classes that have recognised separate handicaps for double and single handed formats can race in either format, but will be scored using the lowest handicap for the entire series or regatta.
- 6 **Officer of the Day (OOD)/Race Officer.** Three races will take place on the day. The conduct of the days racing, including the decision to sail or abandon is under the sole direction of the OOD, who may consult his race day team/race committee as they see fit.
- 7 The start time for the first race is 11am, and times for the subsequent two races will be announced at the event. Competitors intending to race shall rig on site so that their intention is clear to the OOD. If they do not intend to participate, they should inform the OOD.

Where the second race follows the first, back to back, competitors should sail in the vicinity of the start line so that their intention is clear to the OOD, but not in such a manner as to obstruct boats still completing the previous race. Competitors not intending to continue at this point should inform the safety boat crew if possible, so that this can be passed on to the OOD by radio.

- 8 Warning signals shall be by flag and sound signal, at five minutes in accordance with RRS part 3.
- 9 By demonstrating their intention to race, sailors have agreed to be bound by the RRS, the SI's and the relevant parts of the Club Rules, including having valid insurance to participate in racing of not less than £3,000,000.
- 10 Sailors are responsible for ensuring that their equipment complies with their class rules.
- 11 The club's SI's are published on the club website, and can be downloaded from there.
- 12 Scoring will generally be in accordance with RRS Appendix A. Any variation to this will be described in the SI's
- 13 A map of the course is available in the Club's Sailing Instructions as described in para 2

- (f) The provision of safety boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event;
